

REMARKS

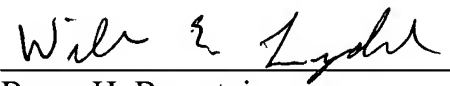

The Examiner is respectfully requested to enter the foregoing amendment prior to examination of the above-identified patent application.

The new claims do not add any prohibited new matter. Support for the claims can be found, *inter alia*, at pages 91 - 101 of the specification.

The amendments to the claims made in this amendment have not been made to overcome the prior art, and thus, should be considered to have been made for a purpose unrelated to patentability, and no estoppel should be deemed to attach hereto.

Should there be any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,
Thomas ADAMS et al.
